

Dungannon Shopping And Good Food

Experience the culinary delights and unique shopping of Dungannon on this special tour.

Superb locally sourced food and top quality crafts and designer wear make this tour a must. Begin your day at **Ranfurly House 1**, Dungannon, an old bank house now home to the local tourist information centre as well as an information exhibition on the history of Dungannon. Next, enjoy morning coffee at one of Dungannon's well established Flavour of Tyrone, Good Food Circle eateries, located within walking distance of the town's Market Square. The tour will allow you to visit many of Dungannon's enticing shops in the main area of the town.

Next is a stop at **Dungannon Park 2**, one of Dungannon's most beautiful, hidden treasures with its very own fishing lake and lovely walks surrounding the area. The tour will be concluded with a visit to Dungannon's famous **Linen Green Designer Village 3** where you can spend a beguiling afternoon in this refurbished linen mill exploring world class designer label clothes and accessories from the likes of Paul Costello and Anne Storey, and check out sublime gifts at stores like the Ulster Weavers. Great food and superior shopping draw thousands of shoppers each year to the Linen Green Designer Village. It is recommended to wear appropriate clothing and comfortable walking shoes, as there are short walks between attractions.
